About 412 Gives Back

412 Gives Back is dedicated to supporting local non-profit organizations in the Pittsburgh area through upscale events that raise resources and awareness on behalf of our beneficiary.

What sets 412 Gives Back apart from other passthrough organizations is that our team is completely made up of volunteers. Because of this, our chosen beneficiary is directed to allocate all funds to restricted accounts, ensuring donations through 412 Gives Back directly support their mission and are not used for administrative or overhead costs. This fundraising method has proved to maximize the impact your sponsorship has on the recipients.

Since our founding in March 2023, we have proudly raised \$260,000 for Make-A-Wish® Greater Pennsylvania and West Virginia, granting 52 life-changing wishes for local children facing critical illnesses.

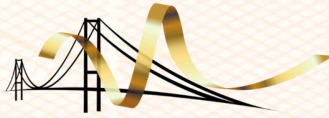

Our 2025/26 Beneficiary

We are thrilled to partner with One Day to Remember, a remarkable Pittsburgh-based organization founded in 2016 by an oncology nurse. One Day to Remember is dedicated to creating personalized, unforgettable experiences for families where a parent is facing advanced-stage cancer. These experiences are provided entirely free of charge and include the support of a professional photographer, along with a keepsake memory book, ensuring families have cherished memories to treasure forever. Families across the United States with a parent diagnosed with stage 3 or higher cancer are eligible for this extraordinary program, bringing joy and lasting moments to those who need it most.

One Day to Remember is a not-for-profit, Section 501(c)3
